

Liberland Prevail

Music: Sydney d'Agvilo

Lyrics: Juan Pina

Born to epic and to ideal
as a safe shelter for the free,
born to help making the dream come real
of a new world in Liberty,

born is Liberland the port of hope,
the wondrous homeland of the brave.
May her endeavour reach its full scope:
Be free forever, never a slave!

Liberland prevails!
Liberland succeeds!
Liberland remains!
Liberland achieves
Liberty! Liberty!
(encore)

Sworn to never start aggression,
sworn to live and to let live,
sworn to trammel state oppression
we shall tyrannies outlive.

May this Libertarian nation
built on grand diversity
lead the world to culmination
in its quest for Liberty.

May our freedom be never-ending
to see its enemies hopelessly fail.
May our will remain strong and unbending
to make Liberland always prevail.

Liberland prevails!
Liberland succeeds!
Liberland remains!
Liberland achieves
Liberty! Liberty!
(encore)
Liberty!
